16G Upholstery Completion Center/ Direct Ship Authority

Dear Ms. Kauser,

Epsilon Aerospace facility has been granted approval based on 16G training requirements as outlined in Document No. 103, Rev. P and Document No. 105, Rev E, or later approved revisions.

Epsilon Aerospace is approved as a Upholstery Completion Center of B/E Aerospace 16G seating articles labeled with the Technical Standard Order (TSO) C127 & C127a designations.

The approval is for a period of 18 months due on December 27th, 2018. This approval is not transferable.

The following completion center designees are authorized inspectors:

| | | | | |
|----------------------|---------------------|-------------------|---------------------|----------------------------|
| Shahin Kauser | Sanjay Yadav | Shilpi Das | Vikram Handa | Nitin Kumar Gaephat |
|----------------------|---------------------|-------------------|---------------------|----------------------------|

The required documentation for each ship set of seats is explained in Quality Document No.103, and Document No.105. Any change in appointed designees inspecting, signing the statement of certification, or modification to upholstery buildup design previously approved, including subcontracting the work outside of Epsilon Aerospace facility must be communicated in writing to the B/E Aerospace Quality Management.

Epsilon Aerospace is responsible for presenting First Article Inspection (FAI) requirements, per Document No. 103, on initial completion center approval, or when deemed necessary by B/E Aerospace.

Epsilon Aerospace is authorized to upholster, inspect, install TSO/MOD tags, on behalf of B/E Aerospace, and assuring upholstery is completed per approved upholstery and finish control (limitation) drawings, and Quality Document No. 103, and Document No. 105, as applicable.

Epsilon Aerospace has been granted Direct Ship Authorization (DSA), per procedure QA-06-003, and may undergo a quality system audit by the Federal Aviation Administration (FAA) as part of their normal surveillance of B/E Aerospace as a TSO holder.

Epsilon Aerospace is not authorized to grant their suppliers and sub-tier suppliers direct ship authorization on behalf of B/E Aerospace.

If you have questions or I can be of any assistance, please do not hesitate to contact me.

Sincerely,

Carlos E. Rebollar
